

1201 Elm St. Perry

Remodeled with many updates

This beautiful home has many updates including kitchen cabinets and counter tops, insulation, water heater and central A/C unit. From the

kitchen, move into the large living room with its recessed ceiling.

The living room features access outside to the large wrap-around porch, or access the stairway leading to the second floor. The home features a bathroom and two additional bedrooms upstairs with another room that could be an of-

More photos at www.choosewisely.info fice or a small bedroom. The laundry/utility room is just off the kitchen leading to the back door. Outside are a large wooden deck and above-ground swimming pool. The property includes a 30' x 30' insulated metal building with a semi-finished office space with its own A/C unit. The building would be great for storage or can be used as a three-car detached garage.

Priced at

\$94,900

Directions
