Rolling Hills Addition, Morrison

Newly Constructed and Loaded With Extras

Beautiful custom cabinets paired with granite countertops accent the kitchen with its ceramic tile floor. From the

kitchen, move into the living room with its remote-controlled gas log fireplace and

40-inch plasma TV. Each room is pre-wired for satellite and telephone lines. From the living room you can access the back

patio. The patio also offers access to the master bedroom and bathroom which has a garden spa tub, his and hers vanities, separate shower and very large walk-in closet.

The home features two additional bedrooms with ample closet space, laundry/utility room that is plumbed for either gas or electric appliances, and an attached oversized two-car garage with
